Dear Prof. Joao Martins,

Thank you very much for agreeing to review the research funding application(s) submitted to the Estonian Research Council. Reviewing the application(s) will take place online in the Estonian Research Information System (ETIS).

Step 1. You can log into ETIS here: https://www.etis.ee/LogOn?tabId=tab_LogOnETISPassword&lang=ENG

Username: Joao_Martins_b3add201
Password: Yqe\$5yLn

All the necessary links are on your ETIS „Desktop“, but you can also access the documents via links that are given below and that will lead you directly to the necessary documents. The system is also used for many other purposes besides reviewing, please pay attention only to those links that are on your desktop under section "My tasks" (i.e "Authorisation agreement" and "Please review"). The system is bilingual, in case you accidentally get into Estonian view, press the button "Eng" at the top of the screen and you will be redirected to the English view.

Step 2. On „Desktop“, please open the link „**Authorisation agreement**“ and enter your bank account number and confirm the authorisation agreement. After you have confirmed the authorisation agreement, you will have access to the application(s).

Step 3. On „Desktop“, there is a card „**Please review**“ that contains the list of the applications that you have agreed to review. You can open an application by clicking on it. Please enter your review under the tab „Review“. All the instructions you may need are already there in the form.

In case you have any problems with the electronic system, please contact our ETIS helpdesk etis@etag.ee, or call +372 730 0373. In case of any major problems, it is always possible to send the materials via e-mail.

I would greatly appreciate it if you could complete your review no later than by May 05, 2019 . If you do need more time for submitting your review, please let me know.

Best wishes,

Tiina Loit-Oidsalu
