Dear Prof. João Martins,

Thank you very much for agreeing to review the research funding application(s) submitted to the Estonian Research Council. Reviewing the application(s) will take place online in the Estonian Research Information System (ETIS).

Step 1. You can log into ETIS here: https://www.etis.ee/LogOn?lang=ENG&tabId=tab_LogOnETISPassword

Username: Joao.Martins
Password: n2Jf?Dth

All the necessary links are on your ETIS „Desktop“, but you can also access the documents via links that are given below and that will lead you directly to the necessary documents.

Step 2. On „Desktop“, please open the link „**Authorisation agreement**“ and enter your bank account number and confirm the authorisation agreement. After you have confirmed the authorisation agreement, you will have access to the application(s).

Direct link to the contract: [KL6387](#)

Step 3. On „Desktop“, there is a card „**Please review**“ that contains the list of the applications that you have agreed to review. You can open an application by clicking on it. Please enter your review under the tab „Review“. All the instructions you may need are already there in the form.

[PRG487](#) Paul Annus "Improvement of the firmness of the impedance based biosignal acquisition for the pervasive health monitoring"

[PRG495](#) Olev Märtens "R&D of novel sensor signal processing for electronic smart systems"

In case you have any problems with the electronic system, please contact our ETIS helpdesk etis@etag.ee, or call +372 730 0373. In case of any major problems, it is always possible to send the materials via e-mail.

I would greatly appreciate it if you could complete your review no later than by July 31, 2018 . If you do need more time for submitting your review, please let me know.

Best wishes,

Julia Uusna

Research Funding Officer
